O R D E R

On July 1, 1991, the Commission received a letter from a group of property owners/residents in the vicinity of Kentucky RSA #4's proposed Harrodsburg cellular tower. The letter states numerous objections to the location of the tower and the June 24, 1991 hearing held by the Commission.

Based on a review of the letter and the evidence of record, the Commission finds that an additional 20 days should be allowed for the property owners/residents to file written comments and take any other actions to oppose the proposed cellular tower.

IT IS THEREFORE ORDERED that the property owners/residents shall have through August 5, 1991 to file additional comments and take any other actions to oppose the proposed cellular tower.

Done at Frankfort, Kentucky, this 15th day of July, 1991.
